Tentative Competition and Practice Schedule

The competition and practice schedule will be sent out as soon as it is available. It will be emailed to everyone who sends in a legible email address and mailed to competitors who send in a self-addressed, stamped envelope. The schedule will not be available until after **April 30**.

Though this competition is scheduled for 4 days, every effort will be made to hold the competition Friday through Sunday. The number of entries will govern the schedule and events will not necessarily be held on the same days they were last year. We will also try to schedule skaters' events on consecutive days to minimize travel expenses.

"Against the book"

Skaters in events with only one entry will be given the option to skate against the rulebook. Refunds will not be issued for those skaters skating against the book and they will receive an award. Skaters will be notified as soon as possible after the close of entries if they are the only entry.

Refunds will only be given under the following conditions (see US Figure Skating rule #3212(C)):

1. An event is not held.
2. Withdrawal of an entry is made on or before the official deadline of March 30, 2007.

No refunds will be issued for injuries. To withdraw, notify the competition chair as soon as possible. Any refunds will be mailed within 30 days after the completion of the competition

Planned Program Element Sheet

Skaters entering Juvenile – Senior and Adult Gold or Masters events are required to submit planned program element sheets for use in the ISU judging system. This form is included in this announcement. A separate form is required for each event entered.
